## USTA PRESIDENT'S MESSAGE

On behalf of the USTA Officers, welcome to the 2024 Utah State Shoot at Spanish Fork Gun Club.

I would first like to take this opportunity to thank the USTA Officers who work tirelessly to make this shoot happen.

Thanks also goes out to the Utah Gun Club Directors for their efforts in hosting ATA shoots and I strongly encourage everyone to support these clubs and their shoots. Without the work of these directors, the USTA would not have such a full shoot schedule throughout the summer.

Our advertisers are part of the reason we can provide the best trophy package possible and we'd like to thank those who have sponsored an event and/or advertised in our program. Everyone is asked to support these local businesses.

We'd like to thank Browning for again generously donating a BT-99. Be sure to buy a ticket *from any USTA Officer* for a chance to win! Tickets are \$20 each or six for \$100. Proceeds from raffle ticket sales will go toward a ladies and youth Annie shoot Friday night. *To participate, entrants must shoot at least one event at the 2024 State Shoot.*

This year we are offering subjunior and junior reduced target prices of \$34 per event. However, those wishing to play options will be charged full price.

This year classification will be on beginning HOA average for the current target year. Shooters with less than 500 targets in the current target year will be bumped up a class. Classification will be based on the following system:

|                   |     |
|-------------------|-----|
| 94% and over      | AAA |
| 88% and under 94% | AA  |
| 86% and under 88% | A   |
| 84% and under 86% | B   |
| 81% and under 84% | C   |
| Under 81%         | D   |

Composite averages are figured by adding the shooter's singles, handicap and doubles averages together, then dividing by three. The hope with this option is to have a fairer system of classification for the HOA and HAA. Awards will be paid out to the high composite average in each class, paid high gun, events 1-11.

Please make plans to attend the annual meeting Saturday, June 22, on the patio after the first 100 singles. We will be voting for USTA officers and presenting State Team awards.

Thank you, again, for your ongoing support of the Utah State Shoot and USTA. Feel free to contact a USTA Officer if you have any questions or concerns.

Good luck shooters!!!
